Thoothukudi, Tamil Nadu, India - 628008

SUMMARY

Recent BCA graduate (2025) with hands-on experience in data analytics, SQL querying, and dashboard development using Power BI and Excel. Skilled in data cleaning, database analysis, KPI reporting, and transforming raw data into actionable insights. Familiar with SQL queries, basic CRUD operations, documentation, and analytical problem-solving. Strong communicator, quick learner, and adaptable to shift-based and process-driven IT environments. Seeking an Analyst Trainee role to contribute to IT operations and data-driven decision-making.

PROFESSIONAL EXPERIENCE

Intern – Data Analytics Infotact Solutions, Bangalore, Karnataka | 07/2025 – 09/2025
- Assisted in data collection, cleaning, and visualization using Power BI and Excel
- Wrote SQL queries to extract, filter, and analyze structured datasets
- Supported dashboard development and KPI reporting
